9TH ANNUAL

www.atlantic-oase.com

SOUTHERN TIER BREWERY

WE'RE SO GLAD YOU'RE HERE!

Welcome!

We're thrilled to have you join us for an exciting few days of learning, networking, and fun in the heart of Cleveland! This year's conference is packed with experiences designed to inspire and elevate your business.

Get ready for:

- A welcome dinner and drinks at Southern Tier Brewery
- Rock & Roll Hall of Fame tickets – enjoy access to this legendary museum on us!
- A scenic dinner on the water at Nuevo Modern Mexican & Tequila Bar, where you'll take in stunning views of the Cleveland skyline and surrounding marina (don't forget to take your picture next to the Cleveland sign!)
- Gorgeous lakefront and city views from your room at the Hilton Cleveland Downtown
- A swag bag full of exclusive goodies waiting for you at check-in
- A full lineup of expert presenters sharing insights to help you and your company grow and succeed

Be sure to check the conference schedule inside to plan your classes, sessions, and free time. We can't wait to connect, collaborate, and celebrate with all of you.

Welcome to Cleveland — let's make it unforgettable!

THINGS YOU NEED TO KNOW:

HOTEL:

Hilton Cleveland Downtown – 100 Lakeside Avenue E, Cleveland, Ohio 44114

CHECK IN TIME: 4:00 PM / CHECK OUT TIME: 11:00 AM

Hilton Cleveland Website

- Our group rate of \$209/night (plus tax) is available on a first come first serve basis.
- Complementary WiFi in guest rooms.
- Valet (\$60) and self-parking (\$50 & attached directly to hotel) is available.
- Group rate is available 3 days pre & post event if you would like to extend your stay.
- Fitness center & indoor pool access is complimentary with guestroom key card.
- Hotel features a full service restaurant, 24-hour cafe & market, hotel bar, and rooftop lounge

EVENT CHECK-IN

Check-in will begin Wednesday 12pm on the 4th floor by the Superior Ballroom before the start of our first class. Please follow hotel signage or ask hotel staff for directions. If you are unable to check into your room before classes start, the front desk will hold your bags until your room is ready.

TRANSPORTATION:

You will be responsible for getting to the hotel. If you are flying into Cleveland International Airport (CLE), rideshare apps (Uber & Lyft), taxis, private car services and all major rental car companies are available.

All classes will be held within the Hilton Cleveland Downtown Hotel. Dinner locations and the Rock & Roll Hall of Fame are within a 15 minute walk or less of the hotel. Taxis and rideshare apps, Uber & Lyft, are all available in the area.

MEALS:

Meals will be provided for all guests Wednesday evening and all day Thursday. Please consult times and locations on the schedule.

DRESS CODE:

Casual to Business Casual. Dinners will have the outside areas available to attendees. All events not held at the Hilton are within walking distance of the hotel (dinners and Rock and Roll Hall of Fame). We plan on walking to these locations. Please be sure to check the weather before traveling and pack accordingly. Since we will be close to Lake Erie, it does tend to be more windy. Uber and Lyft are available in the area if you prefer not to walk.

SESSION INFO:

SESSION	PRESENTER	DESCRIPTION
Built to Rock: The 2026 Product Drop	Frayne McAtee, VP of Business Development Kyle Weemhoff, Western Regional Sales Mgr Todd Rosendahl, Northwest Regional Sales Mgr	Discover what we have store in for you in 2026. Experience all of our new products in person. Get a hands-on experience with all of our new products, including our newest largest filtration system yet, the ProfiClear Premium XL Systems. You're not gonna want to miss this!
Rock the Bog: The AO Way	Jim Chubb, Director of Product Training Brandon Dwyer, VP of Product Development Demi Fortuna, Director of Product Info	Discover our philosophy on building bog filters and why our approach stands apart from others on the market. We'll cover the essential products, proper placement, pump sizing, key benefits, and maintenance tips — everything you need to create a thriving, low-maintenance bog filter system.
Rock Solid Regeneration: Sizing for Swim Pond Success	Frayne McAtee, VP of Business Development Brandon Dwyer, VP of Product Development	Learn how to properly size regeneration zones — also known as bogs — based on the volume and style of your swim pond. We'll break down the five types of swim ponds and explore the specific filtration needs for each, so you can design with confidence and keep water crystal clear.
Keynote	Andy Core Andy has a master's degree in the science of human performance and has spent the last 16 years mastering the art of inspiring people to become energized, healthy, motivated and better equipped to thrive in today's hectic society.	<p>His "research scientist meets standup comic" style gives audiences the proprietary information and inspiration needed to accomplish more at work, live healthy, and still have a life. Combining stories from his experience a successful consultant with the latest research, he will ignite your motivation, show you how to execute a better way of life and live to enjoy it.</p> <p>Andy Core has field tested his concepts working directly with hundreds of top performers within Gillette, Coldwell Banker, Intel, Ernst & Young, Clorox, Tyson Foods, Newell Rubbermaid, Unilever, as well as leading healthcare organizations and associations.</p> <p>Andy's success rate at helping people go from "knowing they need to live a more balanced life" to actually living and capitalizing on it is thirteen times the national average.</p>
Install like a Rockstar: ProfiClear Hacks & How-tos	Jim Chubb, Director of Product Training Sean Bell, Southeast Regional Sales Mgr Frayne McAtee, VP of Business Development	Learn the in's and out's of the Oase ProfiClear Pump-fed and Gravity-fed systems. Explore the things you will need, things that could happen, and the things you wish you knew. In this class, we'll demonstrate how to install the units and give insightful tips on how to set the water levels in each system.
Toolbox Talks: Tool Setup & Jobsite Efficiency	Daniel Kelley, Owner of Legacy Waterscape Innovations	<p>Learn how to be affective on site with the right efficient approach to water garden building. From logistics, your toolbox, equipment management, project layout and taking a methodical approach to gain profitability and more success.</p> <p>DK has been in the green and excavation industry for well over 35 years and logging his 6th year in the water garden industry. He truly embodies the work smarter not harder mindset. He has a love and passion for all things water, teaching and serving his community of customers is what fills his cup! His why is to impact, inspire and encourage others through his story in the industry. He believes in getting 1% better everyday and how that impacts your creativity and success in water gardens.</p>

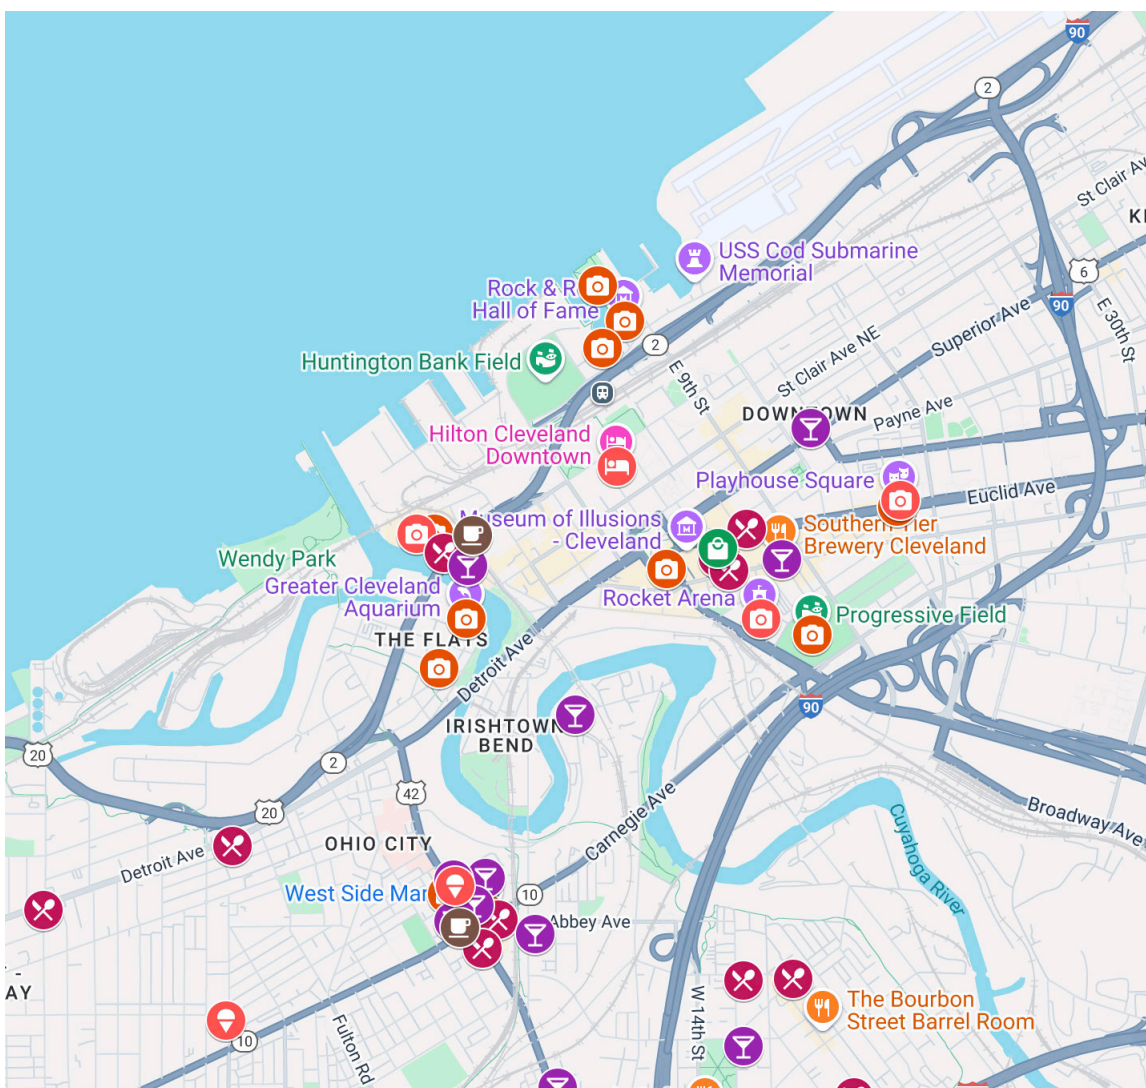

SESSION	PRESENTER	DESCRIPTION
Play to the Crowd: Mastering Local Reach	BJ Linger, Outdoor Network	Learn how to effectively market your water feature and pond/lake service business locally, this class will focus on Targeted Advertising, Google Business Listings, Websites, Social Media and how to get Referrals from existing clients. BJ started his pond company in 1999, driven by a passion for water features. Over 20 years, he's designed, built, and collaborated on hundreds of projects. His marketing journey began by building websites for fellow pond pros, and today his team manages digital marketing for hundreds of contractors. Simply put — "I know your business" — because he's a contractor too! Join his class to learn how to grow your digital footprint.
Contractor Soundcheck: Clear, Confident Sales Communication	Eric Triplett, The Pond Digger, Training with Triplett & Helix	Renowned for his candid and passionate teaching style, is a sought-after speaker and coach in the contractor community. At this year's Atlantic-Oase Annual Conference, he will be leading a pivotal session on "Contractor Sales Communications." This session will address the common issue of contractors conveying unclear messages without realizing it, offering actionable insights for improvement. Eric Triplett is the driving force behind Train With Triplett (TWT), a coaching program dedicated to empowering contractors to take control of their businesses, maximize profits, and maintain a balance with their personal lives. TWT was born out of Triplett's two decades of experience in supporting contractors through their challenges and triumphs. Triplett's career is built on a foundation of authenticity and transparency. He openly shares his experiences, including both his successes and failures, to help others avoid the mistakes he made along the way.
Installer Insider: Your Questions, Expert Answers	James Lavery, National Sales Manager Tyler Fisher, Northeast Regional Sales Mgr	Join our panel of seasoned water feature contractors as they share real-world insights, tips, and experiences from the field. Bring your questions about installation techniques, product recommendations, and troubleshooting — this is your chance to get answers directly from the pros who've seen it all.
Revolutionize Bog Maintenance	Daniel Kelley, Owner of Legacy Waterscape Innovations	Learn how to retrofit existing wetland filters with Oase filtration products to reduce maintenance and enhance water quality. DK will share how he streamlined the installation process, optimized filtration with aeration and FiltoClear, and created a simplified maintenance routine — all while delivering consistently clear water for his customers.
Thank you for calling tech support!	Sean Bell, Southeast Regional Sales Mgr Patrick Bell & Andrew Bell, Technical Customer Service	Learn the answers to the most common to the most unusual questions regarding Atlantic-Oase filtration. From pumps to ProfiClear filters, our tech team will walk you through what you need to know!
New Fish, Who Dis? A Guide to Koi & Pond Prep	Connie Piteo, Owner of Earth & WaterScapes Ashley Darocha, Fish Manager of Earth & WaterScapes	Join Connie and Ashley for an in-depth session on identifying koi diseases, selecting the perfect koi, and preparing existing ponds to welcome new fish. Bio coming soon!
Own Your Market: Personal Branding and Social Media Strategies for Pond Pros	Isaac Mashman, Mashman Consulting Group	A deep dive into personal branding and reputation management. Learn how to position your company and yourself in local and national markets using organic strategies and social media. Isaac Mashman is a Forbes-featured thought leader, author of Personal Branding: A Manifesto on Fame and Influence (Amazon #1 PR New Release, #3 Best Seller), and founder of Mashman Consulting Group, where he helps emerging and established public figures optimize, position, and scale their personal brands using his proprietary Identity Positioning strategy. Based in Little Rock, Arkansas, Isaac is preparing his podcast, Executive Status (late 2025), to share insights on business, branding, and life, all while championing transparency and rejecting pay-to-win tactics.
Rock, Wrench & Roll: Fixing the Impossible	Sean Cudmore, Owner of Pond Creations by Sean Demi Fortuna, Director of Product Info	Join Sean as he shares the clever tools and techniques he's discovered when stuck between a rock and a hard place — literally. Learn how he tackles tough leak detection, tricky plumbing repairs, and the challenge of moving the "unmovable" on the job.
