

AURA VASES

Handcrafted solid brass vases elevate any landscape or hardscape

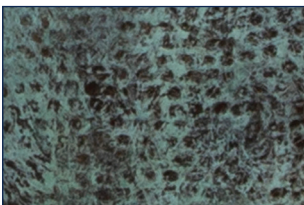

Three Sizes & Two Styles

24", 32" & 40" sizes are available in both overflowing and spillway versions. Install these as individual pieces or group multiples together

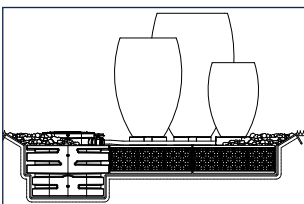

Dual Threaded Inlets

Dual threaded inlets allow water supply to be plumbed independently from lighting cords using Atlantic's Cord Seal Fitting

Hand-hammered Solid Brass

Vases are constructed of solid brass, hand-hammered and given an acid washed patina making each vase one-of-a-kind

Multiple Installation Options

Single Vases can be installed on Fountain Basins and single or multiple Vases can be installed on Eco-Rise Systems
